My talking tom 2 is a very well-known game everyone loves to play this game especially children loves to play with the cat. Update | Preferred Partner Feature It's time to break out the bunting, balloons, and birthday treats as My Talking Tom, the smash-hit virtual pet mobile game from Outfit7, celebrates its 10th anniversary! 10 years is a spectacular milestone to reach, and what's even more remarkable is a good number of those years have seen My Talking Tom topping the app store charts. So to mark this momentous occasion, Outfit7 is running an exciting in-game event where players will receive by far the most generous rewards to date, including a whopping 100,000 in-game gold coins for My Talking Tom 2 players. My Talking Tom 2 is hosting the main event which, alongside the massive gold coin giveaway, will treat you to a special surprise birthday party where you'll get to play five party-powered stages, including cake decorating, confetti making, and gift wrapping. As you complete each stage, you'll earn event tokens to spend on special rewards, including a snazzy new birthday outfit for Talking Tom. On top of that, you can also receive an additional 100 event tokens by using the special promo code "TOM100". Commenting on all of the festivities and the anniversary milestone, Outfit7's CEO, Xinyu Qian, stated that the company "wanted to create an unforgettable experience for our players. The in-game birthday event and the 100,000 gold coin giveaway are our way of expressing gratitude to our loyal players who have supported us throughout the years. We hope they have a fantastic time celebrating with Talking Tom, and enjoy the exciting rewards we have prepared." Outfit7's gratitude doesn't stop with the birthday event and giveaway though. As an extra treat for its fans, the publisher is unlocking the entirety of My Talking Tom 2, allowing access to all items in the game, such as food, clothes, and furniture, and making them more affordable than ever before, making this the perfect time to jump in and play the game. If you'd like to give it a go and join the celebrations, download My Talking Tom 2 HERE. What's A Preferred Partner Feature? Children adore playing simulation games, which are quite well-liked by them. It is really challenging for us to choose the best simulation game out of the thousands available on the Internet. We're going to talk to you today about a game that's ideal for youngsters. Playing the game is really safe. The latest version of My Talking Tom, My Talking Tom 2, includes some new and additional features. The developers released this improved version for its players because the previous version received a lot of positive feedback. In the game, where your duty is to take care of a pet named Tom, there are a lot of various things to do. The game has rapidly gained popularity online, and gamers adore playing it because of its gorgeous visuals and incredible sound effects. Tom is the ideal companion for quality time spent together. The game's modest size makes it simple to download for free on an Android phone or tablet. The game's aesthetics are ideal for children to amuse themselves and enjoy the relaxing sound effects. It will make you feel realistic. The game's control scheme is incredibly user-friendly. The tasks can be completed with a single click and the game will guide you through them step-by-step. It is a top-notch app with highly optimised features. My Talking Tom 2 Apk: My talking Tom 2 is the basic version of the game that you can download from the Play Store for free. It is created by Outfit7 Limited with more unique features. The game has so many different tasks to complete such as feeding your pet on time. Take good care of your pet and complete its sleep cycle with Tom. The game offers you some daily rewards so you can also get benefits from them and collect coins. Few features such as outfits, and food are locked in the game and you cannot get access to them for free. You need to pay money to unlock them. Moreover, the regular version contains several ads that are so annoying and disturbing. My Talking Tom 2 mod Apk: My Talking Tom 2 mod apk is the modified version with unlock features for free. You will enjoy all the epic and extraordinary features that you never enjoy in the basic version of the game. It has all the levels unlocked. You are free to go anywhere on the map. All the food items are unlocked and feed your pet with healthy and delicious food. The outfits are free to use in the game for Tom and make your Tom more charming and appealing. The advertisements are removed from the game. They do disturb us a lot. O creators of the mod version have vanished them for the convenience of the players for free. Unlocked free levels All the levels are unlocked in the mod version for free. Players are free to choose any land and take care of their pet Tom. Users are free to perform several tasks in the game. Take care of Tom The player's primary goal is to look after the tom. Give him a balanced diet and watch out for his sleep. Bring him to the bathroom when it's time, and have him change into his best outfit. Tom can converse with you as well. To do this, you must grant Tom access to the microphone so he can hear you and respond. Different food items There are several food items that are locked in the regular version. You cannot get access to them without money. If you unlock all the food items for free then download the mod version of the game for free to feed your pet with delicious and healthy food items. Customized outfits For the tom, you have a variety of options, including magnificent and swimming outfits. Since they are locked, you cannot utilise these clothes. You can buy them with real money or use coins to unlock them. All of Tom's clothing are free in the mod version. Your pet can wear whatever costume you like. Unlimited amount of coins The game offers you an unlimited amount of coins that sound so good. You can use these coins to unlock several things in the game for free. Take good care of your pet from every aspect and make Tom happy. Addictive gameplay Players will have a lot of fun playing the game because of how addictive the gameplay is. It is preferable to play this game on your phone for a significant period of time. It is regarded as the top children's game on the internet. It is simple to download without any issues. Awesome control system The control system of the game is so easy. You can easily perform your tasks with a single click. Every icon is mentioned on the screen, simply mission Experience about taking care of the catHow to play easily, that is to take care of your cat by feeding, drinking when the cat hungry, thirsty. If Tom is out of food, click on the supermarket icon then select the products that you want to buy and pay. Please save the food for Tom because he can eat when he was full. So you should feed him at a moderate level to avoid wastage. Also, you can play, troll him by clicking on hand, leg, abdomen and head of the cat.In addition, whenever you speak, the cat will imitate and will repeat your speech by a voice that is very humorous and cute of the cat. Sometimes let stroke your cat to make him feel loved and grow much faster.Another extremely interesting function that is you can shop clothes, accessories for your cat, decorate his house to be more beautiful and spacious.To get money for shopping for your cat, you can go to play the available mini game on attractive game warehouse (some games need to connect the Internet) to bring rewards, buy much food, furniture for Tom cat.My Talking Tom 2 also gives player a real experience when you have to let your cat go to bathroom, brush his teeth, take a shower, ...daily. All works look like what you need to do for your real cat.Over time, your cat will grow gradually when is taken care of. If you forget about him too long without looking after, he will disappear. And you will have to create a new one completely.The special points compare to the old versionOne of the most noticeable features of the game is the form of cat nourishment. If in the original version, you only have an assignment that is keep the cat, in My Talking Tom 2 - the new version you can unlock 5 pets and discover them. This point makes the traditional gameplay of the game attract more player. Each on has its own look and personality. Players can try feeding the to see what happens.Not only that, My Talking Tom 2 has an own airplane. Launched a new card collection feature by clicking the Airplane icon and collecting items according to the level of the cat. It can fly to anywhere you want, you can still fly with Tom to interest spaces, look for the unique costumes, bring the rewards for Tom and take a souvenir pictures.When Tom is injured or sick, you'll have to take care of him more carefully. The medicine cabinet in the bathroom will help your cat to heal quickly. Let's explore the new points and feel them.The cat has the highest longevity and can change eye color, feather.Like other games, My Talking Tom 2 also has level. But the level of game is precisely the age of your cat. If you want to your cat thrive and increase level, you have to look after him.First is your cat's clothes shopping. You will have to buy furniture to decorate the living room, kitchen, bedroom, toilet for Tom, which will increase your experience. Secondly, doing the different assignment that the game provides, you will receive bonus coins and experience points to help your cat to level up quickly, add the age. Finally, if you are the new player or don't have a lot of money, you can earn money and increase experience by playing the mini game. With the mini game warehouse, you will enjoy it when you are earning point to level up for the cat while playing the favorite games. The games help you to relax, to increase thinking ability and reflex skill.If you want to your cat level up rapidly or raise your cat's age, you should take good care of him. And don't worry about your cat's age, his age amounts to over 10 years old. The special cat can also change eye color and feather. Buy more eye colors, feathers to change your cat.The simple game helps you to relaxMy Talking Tom 2 gives player the truthful experience as when you look after the cat in the life. Game not only attracts with children but also adults and busy people. The bright color and vivid sound is a part that makes game become notable and appeal to many players.With My Talking Tom 2, you absolutely can play with your cat to relax without spending too much time, you can play anytime and anywhere. The interaction of Tom will make you feel interesting and release stress. Experience and share with your friends about your cat.The things have made My Talking Tom 2 become famous and be used by many people. My Talking Tom 2 Mod Apk wasa ne mai ban mamaki.
