Hold down in TouchInstagram: instagram.com/violaairStfacebook: facebook.com/violaairartisttwitter: twitter.com/violaairartistSpinterest: Pinterest.com/violaairArttpl Please enjoy and share the masterpiece of you and your loved ones! Created with love, Á É VoilÁ Team Artist at Wemarta.I 4, 2021 Version 1.5.3 New effect: Beauty painting is here! Enjoy 3 new painting styles, created with love from Voila to artists most cartoons / aging apps are so false and make you pay \$ 40 a month or anything else, but the only one in app purchases In this it is if you want to remove the brand of water and the stuff, it's totally optional and it's really cheap if you want to buy too. You have to look at a 15 second announcement before seeing your results but I am totally well with that. (You can remove ads that cost money and I broke Á \* ~ ...) So please don't waste your money on those other garbage apps with expensive app purchases and get this. Even so easy to use! I love the new updates in which they even came out with me too and my friends are obsessed and do it all the time !!! They always reveal so cute and we love it so much. Thanks to the Artists Great App! Á for the free that is an advantage! Á¿ ~ - simply there are too many ads.Á Á¿ à Y i¼ every time you take a picture of myself, uploading, but then it will be announced for something .. he just frustrated me and I understand that you could buy something To avoid advertising and things, but I don't want to waste my money for an app that I don't play 24/7 Á¿ Á¿ ~ 'Even! Just messed up because when I attack the tongue, it will show it in the cartoon photos But it will never come out well, it's a bit disgusting. "I've also noticed, if the upper part of your head is out of the camera, it is smeared in the pictures of the cartoons. Á \* Á¿ à ~ É "The last thing! Á É à, ~ | You can only take a picture of a person at the moment and I tried to take a picture with my brother, but it gives me a choice for those in that photo I want So please, with what I said, maybe considering to fix them? Á¿ ~ Á à |Thanks !! This is amazing app that I like! I received some great pictures with this app and so many compliments, many people ask me which app is. I want to be a photographer when I'll be older and I can not find really good games but voila f image is the perfect app for me, the only reason I rated three stars © because there's an ad every time after a photo it's an ad that did not leave to see the beautiful picture. The other reason I rated three stars is because I want to work on animals © Also, it would be really nice if I could use the app on animals. I also want that ads are more positive because © one of the ads shows a girl and let's solve the trick on her. Just to remind you this is just my opinion on the app. I hope you have a fantastic day, and if you make a few changes to the app then it would be even more perfect! Á à É Á Y AA The developer, Wemagine.ai LLP, has indicated that the practices on app privacy may include data management as described below. For more information, see the developer's privacy policy. The following data can be used to trace you on apps and property websites of other societies: the following data can be collected but is not connected to your identity: Privacy practices may vary, for example, based on the functionality you They use or at east. Learn ... Example of Privacy Privacy Policy Posting A URL of the image: it requires' REST\_CLINT 'R = RESTINGENT :: Richiesta.execute (Method :: post, URL:' toonify ', timeout: 600, headers: {' API-KEY '=> 'YOURAPI\_KEY ' }, Payload: (' IMAGE '=> 'YOUR\_IMAGE\_URL ', )) PUS R # Example Publishing a local image file: Request' REST\_CLINT 'R = RESTICLENT :: Request.execute (method: post, url:' ', timeout: 600, headers: {' API-KEY '=> 'YOUR\_API\_KEY' }, Payload: { 'image' => file.new ( / path / to / your / file.jpg' ) } puts to test how to create a cartoon version of yourself? Freddo! Today we'll show you a dozen accessible ways that will help you to yourself while you have fun at the same time. We tried to dig the web tutorials and tools. All these lead to different results, depending on what exactly you are looking for. Also, we did not want want you perdávi in the wide spectrum of possibilities of cartoons digitally. This is why we added a little 'comments to each method, including its pros and cons. Ready to get a version of cartoons from your photos? Start. Free online tools for comics yourself web site will help you get the instant cartonizzazione of your photos. By applying different filters to your pictures, you can find different versions of the cartoons of your face. However, these devices usually have limited functionality and the end result may not be so satisfactory. This method is perfect for those of you who: are willing to sacrifice the quality, look for quick results, I just want to have fun. We dug several free online tools that will help you smoke yourself into a matter within minutes. There are all testifying in person, then we can confirm that work and the end result is free to download. We also added a small revision to each, so you can make an informed decision. # 1Á Wish2be This tool offers a range of pre-made animated cartoons models in order to end up with a funny caricature. On the downside, you not really have control over how your face cartoon will prove. Based on our experience, the funmetized face can not really blend it well Final drawing of cartoons. The site is fantastic to have fun, though. # 2á. Kusocartoon This free online tool allows you to choose between 6 filter effects that can be applied to your photos: 3 cartoon styles, vector, fantasy and comics style. Unlike other websites, this is a type of community oriented. All photos go to the gallery and can be browsed by everyone. Therefore, the site requires you TagÁ É Your photos after conversion. # 3á, Snapstouch This tool converts your photo to an artistic image for free. If you want it to become a painting, a pencil drawing, a sketch or a profile image Á É à, ~ "the choice is yours. This tool also allows you to adjust the level of filter sensitivity you are applying. # 4á, Cartoon.pho.to This online tool allows you to upload photos directly from your Facebook account. In addition to cartoning, you can also crop the photos or change your facial features. The final result can also be immediately shared on social media , if you like. # 5th, cartoonsize.net A free online tool that allows you for cartoons using a lot of filters. You can choose between numerous comic effects, painting effects, grayscale effects, instagram effects, artistic effects and Even more until you are satisfied with the result. You can also add funny graphics to make your cartoon photo even more interesting. Cartoon yourself with Photoshop Tutorials another Option for the cartoon Your photo is to do it yourself by following a tutorial. We have selected a lot of tutorials that will guide you through the process. You still need to have a certain knowledge of the software, so you can get the desired effect. Here are the pros of this method: you libert you to experiment; Free, if you have a version with a software license already; Via better results than using an automatic online tool; It gives you the opportunity to better learn the software functionality. All this is taken into consideration, this is the preferred method for many but it has in mind that it is also quite expensive, especially if you are a beginner. Here is a selection of 5 Adobe Photoshop tutorials who will help you create a cartoon version of you using software features and tools: # 6. Transform a photograph in a digital painting # 7. Make a comic book effect from one Photo # 8th, create art with the tool # 9. Create the vector art cartoon effect # 10 times a photo in a cartoon in Photoshop USA Adobe Illustrator É For cartoons the main difference between Adobe Photoshop and Adobe Illustrator Á " The size of the image. Adobe Photoshop makes your creations in raster formats, while illustrator exports in vector format. These are the advantages of using the release rather than Photoshop: your cartoon photos will be fully detectable without quality loss, if you have good design capabilities, you can get great results, free, if you already have the software, an opportunity To practice your skills and have fun at the same time. # 11Á É Design a flat avatar from your image # 12Á É do a vector portrait in illustrator Á É à, ~ | Preview, Á É to someone I will do it for you if you are planning to use your version of the cartoons for specific purposes, it's out the question you need high quality works of art. If you are a skilled artist yourself, fantastic! You are fine following some of the tutorials above. Otherwise, the best option for you would be to hire someone, to create a customized vector design based on your photo. There are a lot of artists who would gladly create such á art for you. Here are the benefits I would understand: high quality digital illustration similar to your photo, attention to detail depending on your order's complexity, the style style according to your taste, final format according to your preferences, unlimited possibilities, extending At the ability of the artist who draws your photo. Here are a couple of examples of how a personalized cartoonization of a photo appears. We have depicted different styles of illustration that normally Several purposes. It all depends on your specific reason to have a version of the cartoons of yourself. If you like them, manage your transformation of photo-cartoons, we will be happy to hear you. Furthermore, do not hesitate to share your creations in the comments section below if you examine the online or completing A to Wait to see how your cartoonization is released! out!
