Frequently Asked Questions Our support team searches for useful product information and answers to frequently asked questions. If you find an inaccuracy in our frequently asked questions, please let us know by using our contact form. Paper shredders need to cool down after a while, to prevent overheating. The time that the device can work before needing to cool varies between different brands and models. This was helpful (858) Read more With occasional use, oiling the paper shredder once every two months is sufficient. With (very) regular use you might notice that the machine has difficulty with shredding or that paper gets stuck easily. These are signs that the machine should be oiled. This was helpful (504) Read more Share — copy and redistribute the material in any medium or format for any purpose, even commercially. Adapt — remix, transform, and build upon the material for any purpose, even commercially. The licensor cannot revoke these freedoms as long as you follow the license terms. Attribution — You must give appropriate credit, provide a link to the license, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use. ShareAlike — If you remix, transform, or build upon the material, you must distribute your contributions under the same license as the original.
