The Natural History Museum is located in Grnerlkka by Tyen on the Eastern side of downtown Oslo (link to Google Maps). The museum includes all the premises within the fences enclosing our botanical garden. We have four entrances in Sars' gate, Jens Bjelkes gate and two in Monrads gate. The official address of the museum isSars' gate 1, 0562 Oslo, Norway. Public transport Metro (T-bane): Tram (trikk): Bus (buss): Nr. 20 to Tyenparken, 3 minutes walk (300 m) to southern entrance in Monrads gate (Google Maps), alternativelyto Helgesens gate, 5 minutes walk (400 m) to the northern entrance in Monrads gate (Google Maps). Nr. 31, 31E, 380, 390, 390E to Sars' gate, 3 minutes walk (200 m) tothe southern entrance in Monrads gate (Google Maps). Nr. 5N, 60, 93 toTyen skole, 4 minutes walk (350 m) tothe entrance in Helgesens gate (Google Maps). Se Ruters nettsider for ruteinformasjon Car parking and bicycling Driving on the museum premises is not permitted, with the exception of visitors with disabilities with a valid parking placard, and deliveries to the museum. Entry through the gate in Sars' gate. There is no designated parking lots at the museum, but visitors may use the public parking spots surrounding the museum premises (parking charges apply). HC parking is available outside the Botanical Garden in Monrads gate, next to the indoor sport ground. See map of HC parking at the Natural History Museum. See available parking for employees, students, guests, entrepreneurs, etc. Racks for parking bicycles are located outside the fence of the Botanical Garden in Monrads gate. Bicycling is not permitted in the Botanical Garden, including electric scooter bikes. Exception for transport of transport of seniors in need and persons with disabilities. Accessibility Children and families Dogs Dogs are not allowed in the Botanical Garden or the exhibitions. Service dogs are allowed in the Botanical Garden and the exhibitions (only with valid ID). Other pets are not permitted. Strollers Baby strollers are normally allowed in our exhibitions. However, at busy times with many visitors we kindly ask to leave the stroller parked on the outside of the museum buildings. Baby carriers can be borrowed. Wheelchair access There is wheelchair access throughout most parts of the Botanical Garden. Be aware that certain parts of the garden are steep and have narrow tracks. Exhibitions in Collett's House, Brgger's House and the Climate are accessible with wheelchair. There are also HC toilets in the exhibitions. The greenhouses (The Palm House and The Victoria House) are unfortunately not adapted for wheelchair access. The museum has two wheelchairs available that can be borrowed on request. Please ask the Museum Shop upon your arrival or call ahead of your visit. Toilets Toilets are available for visitors in the exhibition buildings in addition to the ved Tyen hovedgrd. HC toilets are available in the exhibitions and by Tyen Manor. Film and photography Photography and filming for private use is allowed at the Natural History Museum, including the Botanical Garden. Photography involving many people or equipment that may be of nuisanceto other visitors is, however, not allowed. All professional photography, non-commercial and commercial, is only permitted with awritten agreement from the Natural History Museum. Please apply by using the application form below if you want to use the Natural History Museum as a photo location. The Natural History Museum has a general prohibition against commercial activities on our premises,photography for ad campaigns. Application for photography and filming at the museum (NO) Please be aware that the processing time for the application may take up to 10 working days. Other collaborations We receive many inquiries from external people who wish to use the museum for activities, exhibitions, and events. If you wish to use our facilities for your project, you must use this application form. Rekreasjon og aktiviteter Recreation and acivities Botanisk hage huser over 4500 planteslag fra hele verden. I tillegg til vre en av de mest kjre destinasjonene i Oslo, brukes hagen i undervisning, formidling og forskning.
