Get free shipping, access to premium content, free games and eBooks all in one affordable plan. It is perfect for frequent shoppers and entertainment lovers, offering exceptional value with multiple premium services. Rs 599 Quarterly Subscription Plan The Rs 599 quarterly subscription plan offers all the benefits of the monthly plan while saving you Rs 298 over three months when compared to the monthly subscription. The plan is Ideal for those looking for uninterrupted entertainment and shopping perks and don't want to pay monthly subscription fee. Rs 1,499 Yearly Subscription Plan The Rs 1,499 yearly subscription plan offers the best value, saving you Rs 2,089 compared to the monthly plan. Perfect for long-term users, it ensures uninterrupted access to premium entertainment, fast and free delivery, exclusive discounts, free games and eBooks. This cost-effective option maximises savings while providing year-round benefits. Rs 999 Prime Lite Yearly Subscription Plan The Rs 999 Prime Lite yearly subscription offers a budget-friendly alternative, saving Rs 500 compared to the standard yearly plan. With this plan, customers can access to Prime Video (with limited ads), ad-free music, and free standard delivery. It provides Prime Video, Prime Music and free delivery at a lower cost, making it ideal for value-conscious users. Prime Video: Streaming access with limited advertisements, available in HD. Prime Music: Ad-free music and podcast access. Free Delivery: Standard shipping on eligible products. Subscribing to Amazon Prime unlocks a host of advantages that enhance both shopping and entertainment experiences. Saves Money: Free shipping, exclusive discounts, and bundled services help reduce overall spending. Time-Efficient Shopping: Faster deliveries mean no waiting for essentials or last-minute purchases. Uninterrupted Entertainment: No need to spend on movie tickets or rentals with unlimited streaming. Enhanced Music Experience: Ad-free music ensures an uninterrupted and enjoyable listening experience. Access to More Content: Prime Reading and Prime Gaming offer free books and games, expanding entertainment options. Better Deals: Early access to discounts helps secure the best prices before they sell out. Convenience for Families: Special savings on essentials make managing household expenses easier. It's important to note that starting January 2025, Prime Video will introduce limited advertisements. An ad-free viewing option will be available for an additional fee, with pricing details to be announced. Amazon Prime Lite is a more budget-friendly way to enjoy key Prime benefits but is it right for you? Here's a detailed look at what it offers, how much it costs, what's missing, and who will benefit most from this plan. With more people turning to online shopping and streaming for everyday convenience, Amazon Prime has become a go-to subscription for millions in India. However, not everyone needs all the benefits or wants to pay the full price of 1,499 per year. Enter Amazon Prime Lite: a more affordable alternative priced at just 799 annually that offers key benefits such as standard free delivery and Prime Video access (limited to 1 mobile device) with some thoughtful trade-offs. This value-based membership is designed specifically for budget-conscious customers who want essential Prime advantages without the premium cost. Read on to discover what Prime Lite includes, how much it costs, who its best suited for, and how to get started if it fits your needs. Amazon Prime Lite is a more value-conscious version of Amazon Primes full suite of benefits that offers core perks like free standard delivery and Prime Video access (limited to 1 mobile device), all while keeping costs low. It is designed for customers seeking essential Prime benefits at a more affordable price. For the budget-conscious Prime Lite subscribers, its an ideal entry point to enjoy the Amazon ecosystem without paying the full Prime price. Think of it as a lite plan fewer frills, but the core experience remains intact. The Amazon Prime Lite subscription is priced at 799 per year. There is no monthly payment option available at the moment. Please note that the Amazon Prime Lite plan offers no trial period or discounted introductory offer at this time. The Amazon Prime Lite membership includes a basic set of benefits: Free standard delivery on all Prime eligible orders. No access to faster shipping options like same-day or one-day delivery. Access to Prime Video, limited to 1 mobile device only. Streaming is in High Definition (HD) and includes advertisements. Early access to Lightning Deals and events like Prime Day. No exclusive access to all Prime-only promotions. Services like Prime Music, Prime Reading, and Prime Gaming are not included in this plan. Here's a comparison of benefits between the standard and Prime Lite subscriptions: Benefit Prime Lite (799/year) Standard Prime (1,499/year) Free Delivery Yes (Standard only) Yes (Same-day/One-day included) Prime Video Yes (Ads, HD Quality) Yes (Ad-free add-on, HD/4K, all devices) Amazon Music No Yes Prime Reading No Yes Prime Gaming No Yes The Amazon Prime Lite subscription offers a more limited set of features. It is tailored for those who want a leaner subscription without missing out on Amazons most-loved benefits. It is primarily intended for users who: Primarily stream content on mobile devices. Want free standard delivery but dont require fast delivery. Do not use other Prime services such as Music or Reading. Prime Lite may be suited for students, individuals with basic streaming and shopping needs, or users seeking a lower-cost alternative to full Prime. However, if you want multi-device streaming, faster shipping, or access to the full suite of Prime services, you may find the standard Prime membership more appropriate. To subscribe to Amazon Prime Lite, follow these simple steps. Visit www.amazon.in/prime Sign into with your Amazon account with your credentials Scroll to the membership options and select the Lite plan (799/year). Proceed with payment. Your Prime Lite membership will activate immediately after successful payment. Note: If you have an active full Prime subscription, you wont be able to switch to Lite until your current plan expires. Prime Delivery Unlimited FREE delivery Same-day, 1-day delivery Prime Video Watch on Mobile or TV Mobile, TV, Laptop Number of devices 15 (including 2 TVs) Ad-free add on available Video Quality HD (720p)/4K, UHD/HD (2160p) Prime Music Ad-FREE | 100M songs | 15M podcasts Prime Shopping Up to 10% off with Prime offers Early access to shopping events Unlimited 5% Cashback on Amazon Pay Credit Card Prime Reading FREE eBooks on Kindle app Prime Gaming FREE games on mobile, PC & console
