You have to meet some pokemon in different areas, which is the main task to be completed in the game before moving on in the game. You must meet the Pokemon Mew in any region, you can finally find that Pokemon in the Pallet region , which is the main region of the area where you are doing the search process. Furthermore, the red rose on a Pokemon trip that must be completed in time. The region assigned to you is the Kanto region, now Your main mission is to be a perfect Pokemon coach, so for this reason, you have to train several pokemons in the area. Team Rocket is the team P Rinciple that is present in the same area and you have to gear them for everything that is coming to your way. Team Rocket started playing their cruel experiment in the area, which can destroy the world in a critical way. How can good trainers save the world of pokemon? This is the main question waiting for all Pokemon lovers. Some new installments: the new installment is included in the game Chapter of Pokemon Adventure Red, which makes the game more complex than ever. Some of the regions are linked to come and explore them from any perspective. When playing the role of the Pokemon trainer you have to find different Pokemon in the area and train them to train them By the way, in order to become a good coach in the area and win some serious missions. As the Kanto region is really as good as it has all the features available as new Fakons are now there. Some Pokemon Gen III Gen IV are added, making the game more complex and explorable. The general area is changed, now you have different outfits colors, change any outfit in your whatever you love to wear. There are different colors and shapes of the clothes, make sure all the clothes you choose for your Pokemon characters are the same as you and having no difference. The land of Sevii islands which is the main area of the game. As we know that Sevii area is changed from across the region and having different characters who need your guidance to move forward in the game. You must also train your characters. You can try POKEMON X ROM freeThe CHAMPION OF KANTO. This world is inhabited mostly wide by creatures called Pokemon. For some people, the Pokemon are pets, others use them for breeding. As for myself, I am a Pokemon trainer eh, my name. I forgot to introduce myself. I am so with the boys. We are going forward and indosser   our name, and I'm Rodri, so this is. What we were calling our character here. Who is reading? I am very excited to play as read qui.Siamo, go ahead and see what else will happen. My name Rodri. Yes, my journey was not smooth. I had a rival called him. Verriamo we go ahead and appoint the blue rival, or he was blue? Yes, that's right, I remember now. The name of it is blue. I made many friends, acquaintances and enemies during my trip. This is the first chapter of my story with that. Ladies and gentlemen, our story begins here in the city of the Garden Pallets. So, go ahead and see what we are going to find around here. I also want to give you guys a big thanks for all the support you guys gives me always in all our adventures, be sure to go ahead and give this video a great guy, as it really helps the series now. First of all, go ahead and talk to this young woman and she looks at what she has to say. I can not. Do it about you must. We can talk before groped to take it. You know. Can you help me get out hey smoothly Bali, world, oh yeah, Bali will have only a nickname. Very, very nice here it seems that we will have a folly world, so it's fantastic. I definitely like to use Poly Worlds. I think any kind of water pokemon is absolutely very good, so we'll go ahead and call this boy Aquaman, and with that boy, I like you to welcome Aquaman to the team's all we go and I seems for the first time here Guys go to Roger Ebert           ,~   S.Starter like Pokemon Aquaman: I have to tell Red started with these Pokemon with Aquaman here. This is not at all a bad beginning. So go to the bubble and see what other kind of damage we can do. I'm definitely looking forward to experience a residential and see everything I went through. So I think there will be a lot of fun, and I know many of you guys have recommended him. Playing this game, so I'm sure a few of you boys have beaten. I know a lot, so I'm excited to play through it. This is my first time going through the boys of him, so do not know very much. So make sure that you guys do not leave me this suggestion and comments for the next episode in the bottom which I know you know that header hewer heads and with You Go You GO POKETBALL HERE Go and it seems that we have helped Kelly Catch or needs a reno What ~ ~    S, as we start things to help people. That's what I enjoy doing. Both, look at what else we can find here. It's too early to go home, it does not do it. It seems that he is able to go that way. So let's go, go to jump right into grass patch. Ok, this boy looks like a team rocket clock. You are little small Sorry, I'm. Looking for Phantom Pokemon miss the Pokemon Phantom. That boy was wearing a Pokeball. He must be a coach. Oh, so there is a Phantom Pokemon here that it is quite nice, it seems that a team is ensuring the area, but look to this. What is the mute here? What? Is this that the Pokemon fan? Don't wait and seem to escape from us. Okay, we're going to chase that mechino they run. Do you careful them? You're gone here, no phantom pokemon sign here, ok! Well, I'm pretty sure we've just seen the Phantom Pokemon. If you are the Pokemon fan from you, we were looking for, then we will continue to look for it. By making a certain experience in the center of Pokemon: my first time here in this Pokemon Center, but it's very good. To see you. You know you've been very different from the other Joy Nurse Joy. I must. Think really to stay out there! Some on you nurse joy, so thank you very much. We hope to see you again soon. We appreciate very so now that we will return to Pallet Town, let's go on and see. If we can find, Professor Oak helps you a little, we definitely need to become stronger, while you guys could say well. It's not the right way. So, where is the professor's laboratory? What we try here, we must make sure we find that it is, it will be somewhere around this place. Ok, where in the heck I'm going, this is actually a rather large city. We must make sure that we explore around a little there was a house belonged to a happy family. One day their daughter went to lose that poor little girl who was kidnapped by that Pokemon Whoa. She She was kidnapped by a Pokemon who is not good. It seems pretty terrifying actually he wouldn't want to be family members who should have faced something like that. It looks rather rough bye. They are Ramu. I can help you with two places with my abra, all very beautiful, so it seems that an abra will be able to teleport to us, hopefully in the future. Once you get another couple of places marked on our map, let's go, go ahead and talk to Professor Oak what the fondant is a spear. Oh, these birds are aggressive. I'm really. You want to talk about an aggressive pokemon injured. These birds did not pursue a boy to talk to you from Pallet Town to the Viridian city. Ok, next to it seems that we have a bulbasaur. Can I keep it yes? Why isn't it? Both, go ahead and keep it. What are you doing? Think of my field, I am. Sorry, I      ,~  ,         re look for them! What? The fondant? I thought you                            Hel 'add a bulbasaur to our team, the whole book on rebel way.okay, so there were four pokemon there. We must remember the four pokemon that there were guys, because those are the four pokemon we are. Looking, I have already found one right here, look at this little Jigglypuff, just hold well, so with what we go ahead and fight even JigglyPuff. Well.
