Deliver Me (This Is My Exodus) (featuring LeAndria Johnson) from GRAMMY Award-winning icon and producer Donald Lawrence Presents The Tri-City Singers, hits #1 on the latest Billboard Gospel Airplay. He leads me beside still waters. He restoreth my soul. When you become a believer, your spirit is made right. And sometimes, the soul doesn't get to notice. It has a hole in it. Due to things that's happened in the past. Hurt, abuse, molestation. But we wanna speak to you today and tell you that God wants to heal the hole in your soul. Some people's actions are not because their spirit is wrong. But it's because the past has left a hole in their soul. May this wisdom help you get over your past. And remind you that God wants to heal the hole in your soul. Have my sister LeAndria here. She's gonna help me share this wisdom. And tell this story. Lord, deliver me, yeah. 'Cause all I seem to do is hurt me. Hurt me, yeah. Lord, deliver me. 'Cause all I seem to do is hurt me. (Yes, sir) Hurt me, yeah, yeah. (I know we should be finishing but) (Sing it for me two more times) Lord, deliver me, yeah. 'Cause all I seem to do is hurt me. (Na-ha) Hurt me, yeah. Whoa, yeah. And my background said (Whoa-whoa, Lord) Oh, yeah. (deliver me) God rescued me from myself, from my overthinking. If you're listening out there, just repeat after me. If you're struggling with your past, and say it. (Oh, Lord, oh) Let the Lord know, just say it. oh. (Oh, Lord, Lord) He wants to restore your soul. He said (Deliver me) Hey! If my people, who are called by my name, will move themselves and pray (Deliver me) Seek my face, turn from their wicked ways. I will hear from Heaven. Break it on down. So it is! It is so. Amen. Now when we pray, wanna end that with a declaration, a decree. So I'm speaking for all of you. Listening. Starting here, starting now. The things that hurt you in the past won't control your future. Starting now, this is a new day. This is your exodus, you are officially released. Now sing it for me. LeAndria, yeah. (This is my Exodus) I'm saying goodbye. (This is my Exodus) To the old me, yeah. (This is my Exodus) Oh, oh. (Thank you, Lord) And I'm saying hello. (Thank you, Lord) To the brand new me, yeah. (Thank you, Lord) Yeah, yeah, yeah, yeah x1. Now, Lord God. (This is my Exodus) Now, Lord God. (This is my Exodus) It is my. (This is my Exodus) The things that sent to break me down. (This is my Exodus) Hey-hey-hey, hey-hey-hey, hey-hey-hey, hey-yeah. (Thank you, Lord) (Thank you, Lord) Every weapon. (Thank you, Lord) God is you and to me, there for me. Our systems have detected unusual activity from your IP address (computer network).
